

**Call for proposals (symposia, oral and poster presentations)**  
**WASM/CSS 2011 Sleep Congress, Quebec City, September 10-15, 2011**  
[www.WASM2011.org](http://www.WASM2011.org).

Dear Colleague:

We are writing to invite you to participate and contribute content for the next meeting of the **World Association of Sleep Medicine** (WASM), which will be held jointly with the **Canadian Sleep Society** (CSS) in Quebec City from September 10-15, 2011.

The program will include 6 keynote lectures, 18 symposia, 3 debates on hot topics, and several oral paper and poster sessions on cutting-edge topics in sleep research and clinical sleep medicine. A two-day pre-congress program will offer several courses on topics of interest to clinicians and researchers. There will also be a student/trainee day and a program for technologists that will run concurrently with the main scientific program.

At this time, you are invited to submit symposia proposals, which should include a chairperson and a maximum of four speakers. The deadline for submission is **December 20, 2010**. Abstracts for papers and posters are also welcomed and the deadline to submit these proposals is **March 1<sup>st</sup>, 2011**. All proposals should be submitted online on the WASM2011 website [www.WASM2011.org](http://www.WASM2011.org). Proposals will be reviewed by the scientific program committee and a response will be provided in January for symposia and April for papers/posters.

Quebec City is a beautiful and romantic city that is ranked among the top 5 destinations in America ([www.bonjourquebec.com](http://www.bonjourquebec.com)). We are planning an exciting social program to complement the educational and scientific activities. Please mark your calendar for this international event and check our website for further information on how to submit abstracts and for registration. We look forward to seeing you in Quebec.

Best regards,

Charles M. Morin, Ph.D.
